Dear Mr. Faughnan:

Re: 2025-11760-COMP

Your Complaint Against Attorney(s) Robert McGuire

I have received your complaint and given it careful consideration.

The jurisdiction of the Board is limited to inquiries into allegations of ethical misconduct by attorneys. It does not appear that this matter constitutes grounds for sanctions under the Rules of Professional Conduct; therefore, we have no jurisdiction. The Supreme Court has not provided any mechanism for appeal of such decisions.
